

# Welcome to PSA Parts

At PSA, we give you access to the widest range of batteries, power accessories, IT peripherals and spare parts. From chargers and adapters to replacement screens and memory upgrades, you'll find what you need here.

We've been in this business for over 25 years. In that time, we've built up a range of over 4,000 products, been appointed a European licensed partner for Duracell, and established a distribution network that

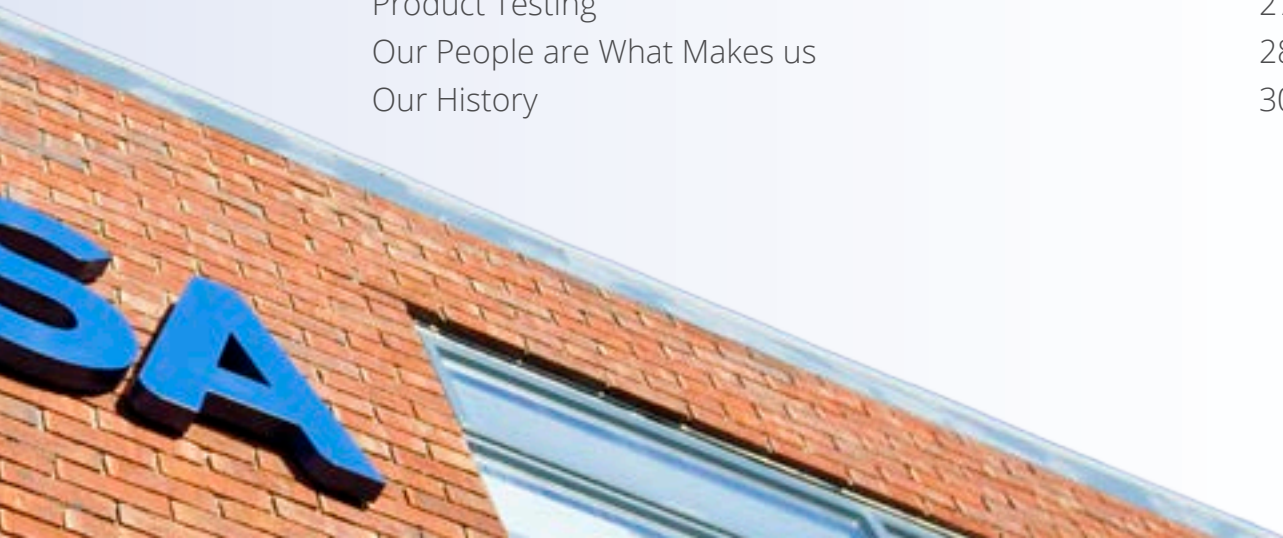

means we can ship to retailers and resellers worldwide - usually for delivery the next day.

This brochure gives you just a flavour of everything we have to offer you and your customers. For the full range, please see our website, or give us a call any time. We look forward to doing business with you soon.

# Laptop batteries & chargers

## Batteries

2-POWER has a battery for most laptops, offering higher quality and greater reliability than many original batteries.

- Batteries suitable for most leading laptop brands and models available from stock
- All laptop batteries are supplied with a minimum of one year warranty
- All 2-POWER batteries are manufactured using A-grade Japanese or Korean cells

acer

SONY

TOSHIBA

### COMPATIBLE BRANDS

Acer / Apple / Asus / Compaq / Dell / Fujitsu / Gateway  
HP / IBM / Lenovo / LG / Sony / Toshiba and many more

## AC & DC chargers

Our range of AC and DC chargers includes both original manufacturer and 2-POWER products, giving your customers the greatest possible choice. We also supply universal tips suitable for virtually all devices, and fixed tips for specific manufacturers.

- All products are supplied with a minimum of one year warranty
- We hold a wide range of either original manufacturer or 2-POWER adapters; which cover virtually all laptops

# Camera batteries & chargers

## Batteries

The 2-POWER range is the perfect solution for any retailer, e-tailer or reseller. It includes a huge range of replacement digital camera and camcorder batteries covering over 100 different models from all leading brands.

## Chargers

2-POWER's Universal Battery Charger will quickly charge most shapes and sizes of low-voltage batteries, including lithium-ion battery packs for digital cameras, camcorders, phones and other devices as well as NiMH AA and AAA cells. It also includes a USB charging port.

# 2-POWER®

# Smartphone

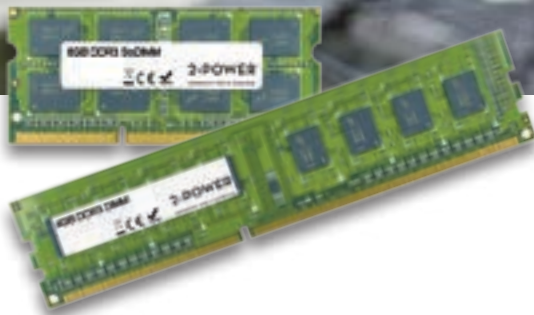

## Batteries

With up to 2 year warranty, the 2-POWER range of smartphone batteries is a complete category solution for retail or repair shops.

The range includes replacement batteries for iPhones and a range of tool kits for engineers or resale.

# Memory & SSD

## Memory

2-POWER manufacture a complete range of laptop, desktop and server memory. Whether you're looking for individual DDR1 modules for legacy systems or large scale supply of current modules for manufacturing we have the right solution for you.

Ask your account manager about our memory configurator, allowing your customers to find the right 2-POWER memory module for their system, without leaving your website.

## SSD

We stock the entire 2-POWER range of SSD drives in all formats and sizes. We also stock a range of adapters and cradles to meet the demands of virtually all models and brands.

# 2-POWER<sup>®</sup>

# Docking stations & adapters

## Docking stations & adapters

2-POWER's popular range of docking stations includes USB 3.0 and USB-C options in standard and travel formats.

Their expanding range of USB dongles includes HDMI, DVI, VGA and combo options. Ask your account manager for more details.

# OEM docking stations

PSA stock a wide range of OEM docking stations from Dell, HP, Lenovo, Toshiba and other major brands.

Contact your account manager today to discuss latest pricing.

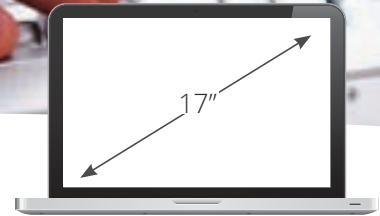

# Laptop screens

## EASY SEARCH

Find your screen easily on our website by simply searching the part number.

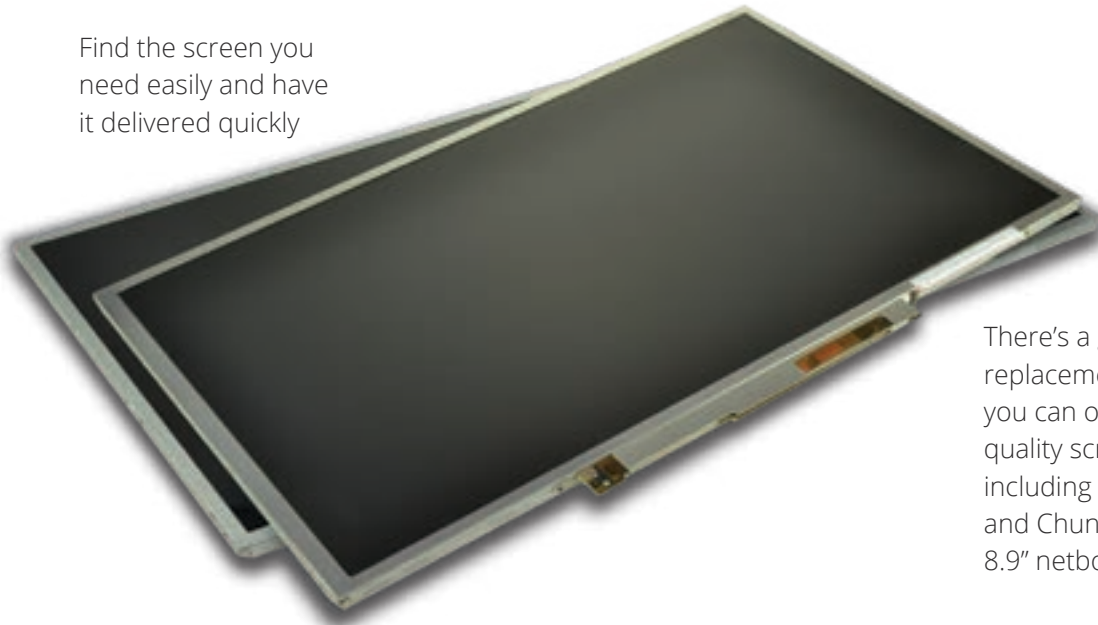

[www.psaparts.com](http://www.psaparts.com)

## MODELS AND SIZES

Sizes from 8.9" to 17" and compatible with an extensive range of models.

Find the screen you need easily and have it delivered quickly

There's a growing demand for replacement laptop screens. With PSA, you can offer your customers A-grade quality screens from leading names including LG Philips, Samsung, AUO and Chunghwa for everything from an 8.9" netbook to a 17" laptop.

All screens are supplied with at least a one-year warranty

# Spares & upgrades

### LARGE STOCK

Server upgrades, printer spares, maintenance kits, laptop parts and more in our warehouse.

### FAST DELIVERY

24 hour online ordering, same day dispatch, no minimum order, dedicated account management team, order tracking and much more.

### EASY SEARCH

Use our product guide to quickly find the right kit or part. [www.psaparts.com](http://www.psaparts.com)

## One stop shop for spares

We stock a wide range of genuine and replacement spares for laptops, desktops and servers from all major brands such as Acer, Dell, HP, Lenovo and Toshiba. PSA is also a specialist supplier of HP printer spares.

- **Servers** - OEM parts including memory kits, hot-swap drives, redundant PSUs and more
- **UPS** - Original or replacement battery kits
- **Printers** - Maintenance kits, rollers, fusers, drums and consumables
- **Laptops** - Keyboards, plastics, motherboards

# Chargers & cables

# Get connected

At PSA we understand data. We offer automated processes for every step of the sales cycle from search to ship.

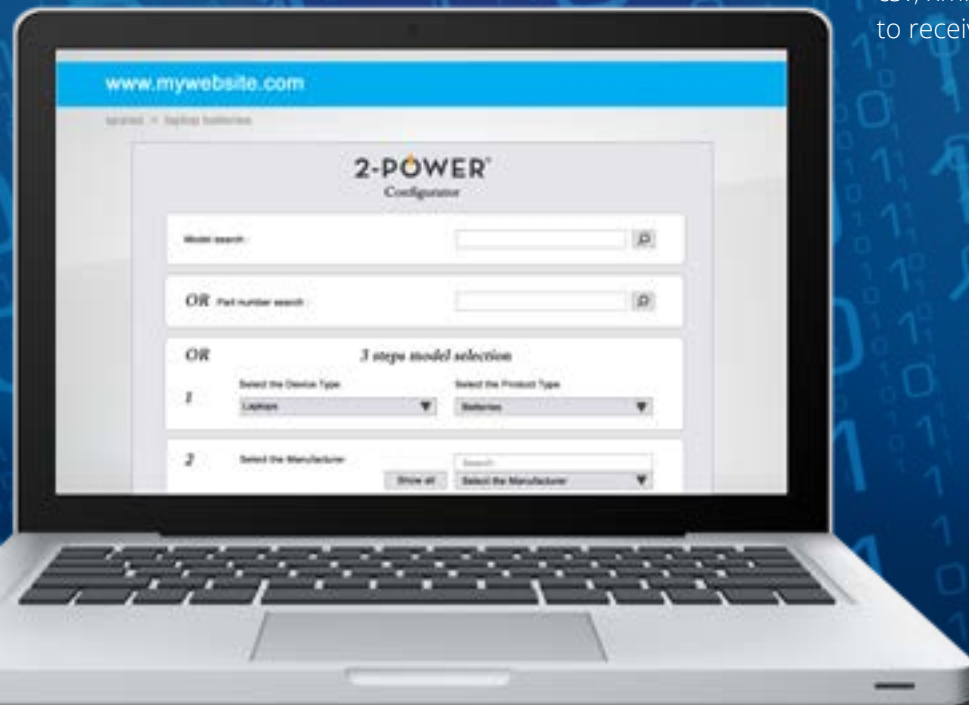

Our in-house integration team has considerable experience working with both industry standard enterprise solutions and bespoke developments.

## PRODUCT FEEDS .....

Our product range and options list is huge and changing daily. We know this can be difficult for customers to manage so we offer a range of product data feeds to integrate into your own systems.

These can be published to your website or used internally to aid for your sales team.

Product feeds include part numbers, description, images, pricing and stock levels. Choose from csv, xml or xls formats and decide how you'd like to receive or collect the data.

*"automation - from search to ship"*

## ..... PRODUCT FINDER .....

Adding our product finder to your website allows your customers to find spares and parts for their system quickly and easily. They can then add them straight into your shopping cart and checkout. The design can be fully customised so it integrates seamlessly with your own website.

## ..... EDI ORDERING

For customers processing larger volumes of orders each day we understand the pain and cost of order administration. Our EDI solutions takes away the pain and allows you to feed us your orders automatically, reducing time, cost and errors. Talk to your account manager today about how we can help you streamline your ordering and save you money.

## ..... DROP SHIP

*"it's all about the data"*

We offer a drop ship service allowing orders to be sent directly from our warehouses, straight to your customers under your branding. This gives you the ability to offer our entire product range from day one.

# Repair & upgrade service

For customers who don't have their own support engineers we offer a white-label upgrade and repair service that acts as an extension of your business.

Services available include:

- Laptop or tablet screen replacement
- Internal battery replacement
- SSD and memory upgrades
- DC socket repair
- Keyboard replacement

Our collect and return shipping service is available from you or directly from your customer and is fully insured.

# Product testing

Your reputation is your brand and we understand that. Poor quality or incorrect products cost you time, money and ultimately customers.

Our in house engineers batch test products regardless of type or brand to ensure our consistently high standards of quality are maintained. We believe no other distributor does more to protect your good name

# "Our people are what makes us"

PSA is still fully owned by the family who set up the company more than 25 years ago. So as well as a large and ever-expanding range of products and distribution channels, we have an incredible amount of specialist knowledge and experience within our business. You'll see it in our dedicated account managers, and our attentive, multi-lingual sales team, who all work tirelessly to deliver the highest levels of customer service.

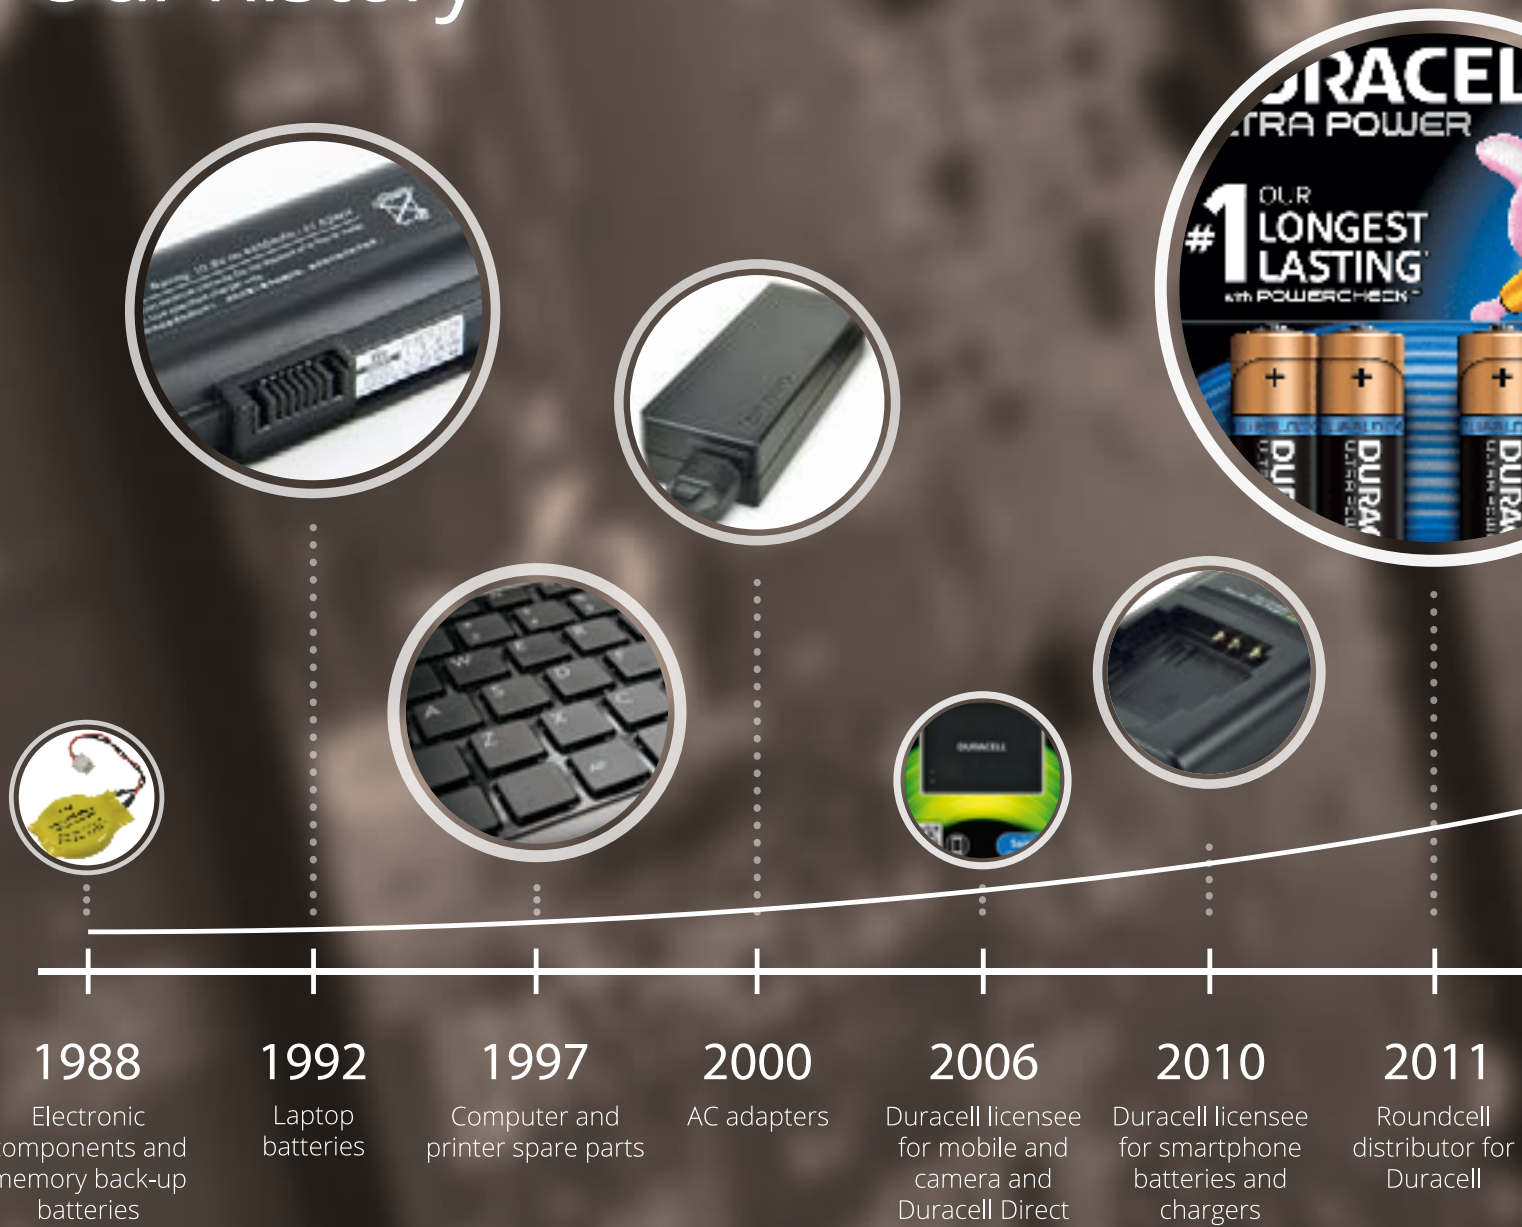

We back up our impressive product range with equally efficient distribution channels and delivery. With offices in the UK and Australia, we ship worldwide, while our multi-lingual customer service and sales staff make us easy to deal with, wherever you are in the world.

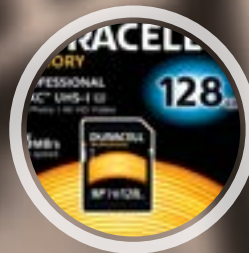

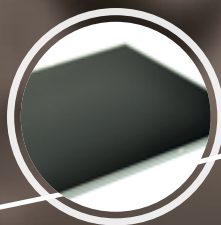

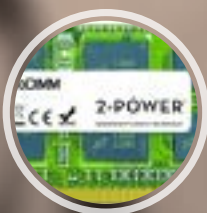

We understand our customers' and partners' businesses as well as our own, so offer flexible, reliable services including next-day delivery, real-time order tracking and no minimum order quantities.
